One effect of the Prussian occupation of the Champagne district has been to increase enormously the exports of brandy to England. The bounded stock of brandy there amounts to nearly 13,000,000 gallons; the bonded stock to the end of last quarter amounted to upward of 4,500,000 gallons more than the previous year, and these enormous imports still continue on the same scale.

T ITS LAST SESSION CONGRESS, AS A an amendment to the army appropriation bill, directed the President to appoint a commission to ascertain and adjust the claims of all loyal citizens in the South for Quartermaster and Commissary supplies furnished to the United States during the war. Under the head of quartermaster are included hay, straw, wood, rent of houses and lots, grain, horses and mules, &c.—As commissary stores are included cattle and hogs, flour, corn meal, &c. WAR CLAIMS.

Congress having just passed an act creating a commission to examine claims of loyal citizens of the South for stores or supplies taken or furnished for the use of the army of the United States during the late war, the undersigned, CHARLES WHITTLESEY, late Attorney General of the State of Virginia, and WESTEL WILLOUGHBY, late Judge of the Supreme Court of Appeals of Virginia, having associated Court of Appeals of Virginia, having associated themselves together for the purpose of giving special attention to this class of claims, offer to prosecute such claims, and hereby solicit the attention of claimants to their facilities for secur-ing successful results. Congress having just amended the Bankrupt law so that nearly all parties can be discharged from their debts unobstructed by the fifty per cent. clause, so-called, another opportunity offers to secure the benefits of this most effective and permanent measure of relief. The above-named will make bankrupt business a specialty; will procure discharges on the most moderate terms, and transact all business in that line at prices which cannot fail to be satisfactory. Being United States Commissioner he will endeavor to visit the different counties on court days, and thus save parties the trouble and expense of several trips to Alexandria in beginning and proceeding with their cases. Discharges can be obtained here before Register Hill as promptly as in Richmond or elsewhere, and at much less expense to parties. It may be added that the Bankrupt act, in connection with the Homestead exemption, which it is now believed will be secured to the bankrupt under the bankrupt law, is the only real relief now offered to parties struggling in the hopeless bondage of old debts.
